

Product Data Sheet

SYSCOMX-RACK-12U 600 × 450 mm

Product Overview

The **SYSCOMX-RACK-6U** is a high-quality 19-inch wall-mounted network cabinet designed to house networking equipment, servers, patch panels, and surveillance systems.

It provides excellent ventilation, easy equipment access, and a secure locking system, making it ideal for professional IT installations.

The cabinet is constructed from durable steel with a powder-coated finish to ensure long-term reliability and protection.

Key Features

- ✓ 19" standard rack mounting
- ✓ Wall-mount design
- ✓ Tempered glass front door
- ✓ Lockable cabinet with keys
- ✓ Removable side panels for easy installation
- ✓ Built-in ventilation system
- ✓ Fan mounting support on top panel
- ✓ Cable entry slots for clean cable management
- ✓ Adjustable mounting rails
- ✓ Durable powder-coated steel construction

Applications

- ✓ Network equipment installation
- ✓ CCTV systems
- ✓ Data communication systems
- ✓ Patch panels
- ✓ Routers and switches
- ✓ Small server installations
- ✓ Office IT infrastructure
