# Product Data Sheet

# SYSCOMX-RACK-12U 600 × 450 mm

## Product Overview

The **SYSCOMX-RACK-12U wall-mount network cabinet** is designed to provide a secure and organized solution for installing networking equipment such as switches, routers, patch panels, and surveillance systems.

Built with durable steel construction and an optimized ventilation design, this cabinet ensures excellent airflow and equipment protection for professional IT installations.

Ideal for **data networks, telecom rooms, surveillance systems, and small server environments**.

## Key Features

- ✓ 12U standard **19-inch rack mount cabinet**
- ✓ **Wall-mount design** suitable for limited spaces
- ✓ **Durable steel construction**
- ✓ **Tempered glass front door** with lock
- ✓ **Removable side panels** for easy maintenance
- ✓ **Top fan mounting slots** for cooling installation
- ✓ **Cable entry ports** for easy cable management
- ✓ **Adjustable mounting rails**
- ✓ **Powder-coated black finish**
- ✓ High load capacity for professional equipment

## Applications

- ✓ Network Installations
- ✓ CCTV Systems
- ✓ Telecom Equipment
- ✓ Server Rooms
- ✓ Data Communication Cabinets
- ✓ Office IT Infrastructure
